BRITISH MINISTER NOTIFIES PREMIER ANTONESCU THAT FRIENDSHIP ENDED

BUCHAREST, Rumania,
Feb. 10.—(P)—Great Britain broke off diplomatic relations today with Rumania, which Germany has poured hundreds of thousands of soldiers, and arranged to turn over her Rumanian interests to United States The British minister, Sir Regin-

(This decision followed on the heels of British Prime Minister Churchill's broadcast declaration yesterday that "the Nazis, having absorbed Hungary and driven Rumania into a frightful internal convulsion, are already on the Black Sea" and "perhaps" a southward movement of German troops into ar through Bulgaria already has begun.)

There was speculation in neutral diplomatic quarters whether Britain soon might follow the break with a declaration of war, especially since Rumanian oil fields are now completely in German hands and would provide a legitimate target for Britain's bombing planes.

Calling the bill "an outright war measure," he added:

Each dollar of a farm family income may buy less this year than last, Mrs. Arnold Armstrong, member of the Jones Ranch Home Demonstration Club said in a talk on "Adjusting Farm Family Liv-ing to 1941 Conditions," at a meeting of the Jones Ranch Club in the home of Mrs. Wiley Burns, February 5.
